COVID-19 Safety Plan for Parishes and Agencies

We've developed this COVID-19 Safety Plan to help you create and maintain a safe environment for you, your workers and your congregants.

Complete this plan in consultation with your workers, then share it with them. This will help slow the spread of COVID-19 and reassure your congregants that they can safely visit your business. You may need to update the plan in the future, as restrictions or advice changes.

Churches must follow the current COVID-19 Public Health Orders, and also manage risks to staff and other people in accordance with Work Health and Safety laws. For more information and specific advice go to nsw.gov.au
